“1 up” - a lot

Both sides, 2,3 and 4, 5 can change positions, first pass can be to 4 or 5

Basic set:

1 man can set down screen or baseline screen

2 man can use either side, 1 man reacts

2 man can use either side, 1 man reacts

Option beginning of the game or after time out: here they look to pass in

Goals:

- Open shoot for shooter
- Post up 13 or 14

“3 up” - a lot

Both sides, 2,3 and 4, 5 can change positions, first pass can go to 4 or 5
 Most of the time first pass is passed to the right side
 Prefer to pass to 4 man, so 5 man will post up

Basic set:

Be carefull, ball can be passed straight in to big man
 post up 13 or 14

Goals:

- Pass to low post – and game 1:1, most of the time 14 or 13

“2 up” – a lot

Both sides, 4, 5 can change positions,

Basic set:

Play for 10 and 11,
they can curl

Goals:

- Open shoot for a shooter,
- Pick&roll,
- Pass to low post – 13 or 14

“2 down” – rearly

To the right side, 4, 5 can change positions,

Basic set:

1:1 no. 12, other players
just spot up

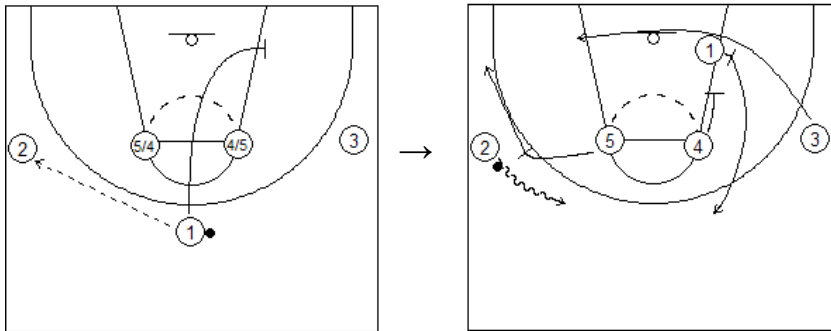

Goals:

- Post up 3 man – no. 12,

“4 up” - rearly

Both sides, 4, 5 can change positions,

Basic set:

If 14 plays as 5, can pick&pop

Goals:

- post up 3,
- side on ball screen

“4 flash” - some

Flat

Basic set:

Most of the time 10 plays this set, if he can't finish, set continues as our "horns side".

Can play couple seconds to go.

- 10 prefers to go right
- 9 prefers to go left
- Also 11 can play flat

Goals:

- flat

“Tap” – same as ours

On ball screen. At the end of the set, they can call “Tap”.

Zone "shirt" - a lot

Both sides

Basic set:

Option pass to short corner

2 man has two options, he can pass to 1 man, or to 5 to short corner

Option pass to the top
pick & roll continuation

Option pass to the top
Hand off continuation

Goals:

- longer offense,
- open 3 pts shot,
- pass from low post to high post or cutters.

Zone "shorts" - some

one side

Basic set:

Goals:

- Pick&roll – similar as our 5

Transition - a lot

Both sides, 2,3

Dribble at one side of the court (left, right)

Basic set:

Can happen hand off
Can happen, that first big man sets pick.

Look for pass inside!

Goals:

- post up 7, 13, 4, (10),
- pick&roll game with trailer

They force transition offense, can pass to low post or isolate low post, can set on-ball screen, will shoot open shoots in transition.

SOB "1 up"

Same as our old fist side, most of the time 5 starts on the right side of the key, and 4 on the left side.

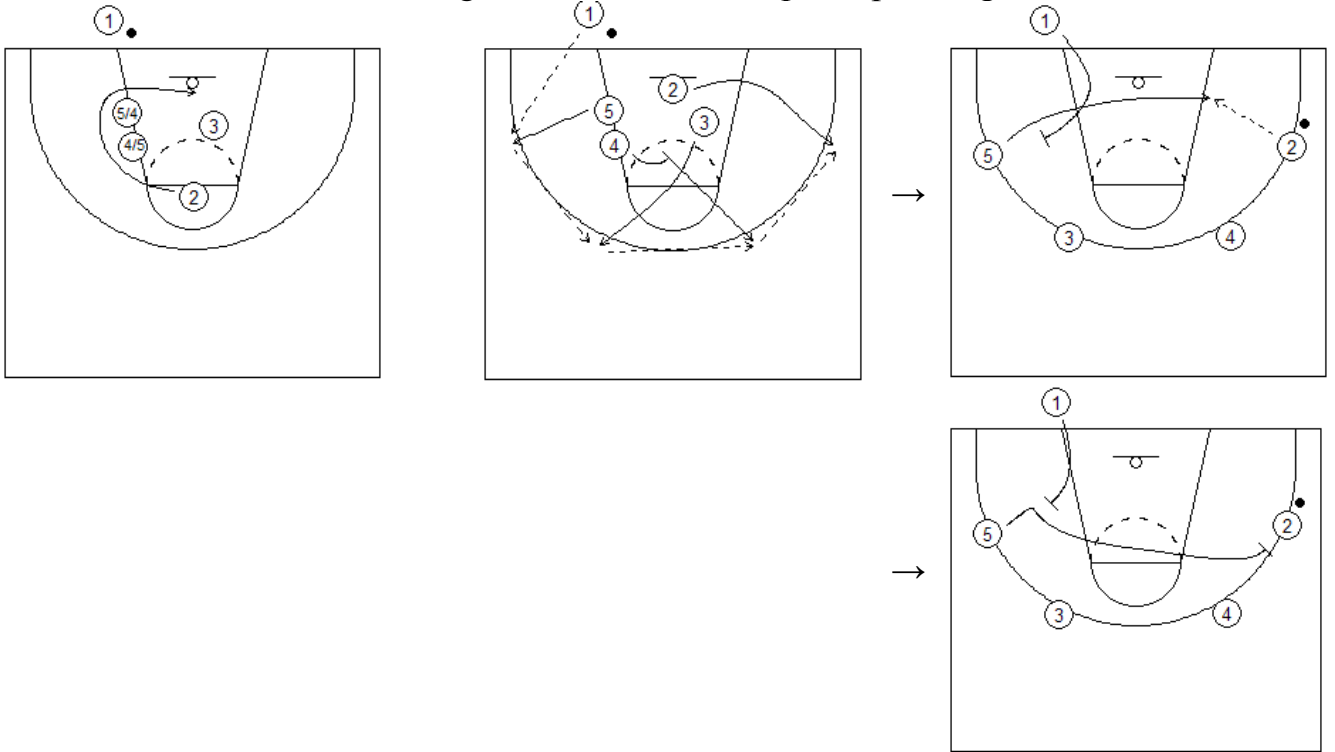

BOB "2 up"

They look for a quick shoot, if not they can play set

BOB "?"

Big man can choose, to post up or to go to set on ball screen

BOB zone "3 up"

Offense

Key:

- stop their transition game,
- box out.

Offensive transition:

- the best part of their game!
- sprint to fast break!
- can pass to low post,
- can play pick&roll game,
- can shoot open 3s in transition,
- they try to sprint even after basket.

Set offense:

- they don't set good screens – bad execution,
- if no transition, they try to organize the offense,
- good penetrating, not very good shooting team,
- very good offensive rebounding, be careful free throws boxing out!!

Defense

Defensive transition:

- They sprint back.

Set defense:

- Basic defense m-m,
- Play zone 3-2, can play a lot, when play on the road,
- Against Tuborg they tried combined defense 3+2,
- Aggressive, can pressure the ball, can denial first pass,
- Beginning all pick&roll – red, later blue, push,
- Side pick&roll red or yellow,
- Double top pick&roll: always small player below screen,
- Low post: sometimes behind, sometimes aggressive, can full front, can trap,
- Staggers: try to trail, sometimes over the top,
- Bad boxing out – they rebound good,
- Can switch 2-3-4,
- Can be aggressive of passer after pass-in,
- After free throws can play half court zone press defense
- After free throws can play full court press defense – trap from passer
- Turn out: trail, 2 and 4 can switch,
- 2 down: 2-3 or 3-4 switch

Defensive calls:

- “1” – full court press
